Sweden institute dean visits JNTU Kakinada

Kakinada: As a sequel to signing of an MoU for collaboration with JNTU-Kakinada, Dean of Sweden-based Blekinge Institute of Technology (BIT) Jan-Olof Gustavsson met Vice-Chancellor Allam Appa Rao here on Wednesday. JNTU-Kakinada faculty gave a presentation on the progress achieved by the university and facilities available for teaching and research.

On the occasion, Mr. Gustavsson said the BIT was relatively new institution formed in 1989 but it had several remarkable achievements due to successful integration of its technical knowhow with the changing needs of global community.

Prof. Allam Appa Rao said BIT has played a crucial role in advancement of science and technology and that the JNTU-K was happy to forge a tie-up with it.

JNTU-Kakinada strategic consultant Christopher J Kaufman, BIT coordinator V Gurudutt Kumar, JNTU Engineering College Principal E.V. Prasad and others spoke.
